

**Institute on Religion in an Age of Science  
Griswold Senior Scholarship Application  
Summer 2018**

IRAS offers a partial conference scholarship each summer to an individual over the age of 55 who is a first-time attendee to an IRAS conference on Star Island. The stipend covers the recipient's conference registration fee (\$225 for an IRAS member; \$325 for a non-member). The Star Island room and board charges must be paid by the Scholarship recipient. Discounts on room and board are available for those new to Star Island or those who have not attended a conference on Star Island in the past three years (2015, 2016 or 2017).

This scholarship is in honor of IRAS member Harlan Griswold, who became involved with IRAS in the late 1960s when he was in his fifties. He was an active participant in IRAS and served on the Council for a number of terms.

Preference is given to individuals who are first time attendees to an IRAS conference and whose interests are congruent with the goals and purposes of the Institute on Religion in an Age of Science. Please complete this form and return it **by May 30** to: Marion Griswold, [mbgriswold@yahoo.com](mailto:mbgriswold@yahoo.com) or by mail to 46 Hastings St, Greenfield, MA 01301.
